WHEAT SUPPLY LARGEST IN MORE THAN A DECADE

The U.S. wheat crop of 2.2 billion bushels, which tops last year's record 1.8 billion bushels by over one-fifth, when added to stocks of old wheat, will provide the nation with over 2.5 billion bushels of wheat, the largest supply since the early 1960's. This year's stocks belong to farmers and grain dealers, in sharp contrast with the late 1950's and early 1960's, when the U.S. government maintained stocks in excess of 1 billion bushels at public expense.

On July 1, carryovers of wheat from last year totaled 319 million bushels, compared with 247 million bushels a year earlier.

In a USDA report, the Wheat Situation, Economic Research Service economists said that the nation will use from 784 to 809 million bushels domestically and will export from slightly over 1 billion to 1.2 billion bushels. Farm and commercial stocks on July 1, 1976 may total from 523 to 648 million bushels, about twice the wheat carried over this July 1.

Domestic use: Bread and other consumer products will likely take 525 million bushels, roughly one-fifth of the nation's total supply. Farmers will feed 175 to 200 million bushels to cattle and other farm animals and use an additional 84 million bushels as seed for the 1976 crop.

Exports: World wheat trading will likely be active this year. The USSR, Australia, and East and West Europe have had recent setbacks in wheat production. World trade may exceed last year's 2.5 billion bushels.

Kennel Club To James River Sponsor Show

LYNCHBURG - Aug. 1 - The James River Kennel Club, Inc. will sponsor its second All-Breed Show and Obedience Trial on Sat., Sept. 20 at the New Farmers Tobacco Warehouse, approximately three miles east of Lynchburg on Route 460.

This show, which is AKC approved, is part of the city's Kaleidoscope '75 Freedom Festival to take place Sept. 19-28.

Entries must be purebred dogs and must be registered or eligible for registration in the A.K.C. To be accepted, the entry form must show the dog's individual registration number or the litter registration number.

The purpose of dog shows is to enable owners to exhibit their dogs in competition with others of its kind with one dog being selected as a final Best in Show winner. At last year's show, there were entries from 26 states, Washington, D.C. and Canada. Approximately 1,000 entries are expected this year.

Closing date for entries is Sept. 3 at the Superintendent's Office: Mons Bow Dog Show Organization, P.O. Box 20205, Greensboro,N.C.

Nationwide urges you to update your homeowner's insurance now...

It happened in Xenia and Cincinnati, Ohio. It happened in Louisville. Homes destroyed ... flattened. And time after time, not enough coverage to rebuild.

That's why we offer a plan that keeps up with inflation. Based on U. S. Department of Commerce cost indexes, Nationwide Homeowner's Insurance with Inflation Protection keeps up with building costs, monthly.

To find out how you can keep your home insured at its market value, call a Nationwide agent today.

To Celebrate 200th Anniversary Sunday

Mr. and Mrs. Joe Megginson, Jr. and daughter, Jessica are shown above dressed in costume of 200 years ago ready for the celebration of the 200th Anniversary of Liberty Chapel Baptist Church. Many other church members will be dressed for the occasion, too.

Organized in 1775, Liberty Chapel Baptist Church will celebrate its 200th Anniversary Sunday, August 17, beginning with morning worship services at 10 a.m., an afternoon of singing followed by the beginning of revival services at 7:30 p.m. and continuing throughout the week. An "old fashioned" dinner on the grounds will follow the morning service.

The Rev. Billy Washburn, former pastor, will be in charge of the morning service and Rev. James N. Williams, pastor, will conduct revival services.

On Sunday afternoon, John Hall will lead the singing with special music provided by Mrs. Margie Mussleman and by the Rocks Quartet.

The public is invited to come out and help celebrate the 200th Anniversary of Liberty Chapel and to attend the revival services

Board Hears Report On Athletic Program

Cecil B. Tillery, Jr., Principal at Appomattox County High School, appeared before the Appomattox County School Board when it met in regular session Thursday evening of last week to give a report on the Athletic Program for 1975-76 school session.

Tillery told the board members that the Athletic Department had met last week to plan for the season and coaches established a "chain of command" in which problems and concerns would be routed first through the Athletic Director Jerry Robinson and then to himself. He feels that they have created a mechanism that will demand unity and that it's what it will take to have a successful athletic program in the school system.

The Athletic Department recommended that the development of cross-country track and tennis be included in the program. He further noted that Athletic Director Robinson has suggested developing a five-year plan for the construction and completion of a football stadium at Appomattox County High School.

The following appointments to coaching positions were approved in Executive Session: Athletic Director will be Jerry Robinson; Head Football Coach is Larry Carter; Assistant Varsity Football Coach, John T. "Plicky" Williams; Junior Varsity Football Coach will be Roscoe Dickerson assisted by Thomas Forest. Cliff Morris will again coach Varsity Basketball and will be assisted by Roscoe Dickerson; Plicky Williams will coach Junior Varsity Basketball and Larry Carter will coach 8th grade basketball. Mrs. Louise Martin is coaching Volleyball and Varsity Girls' Basketball with Miss Mary Libby Tolley serving as Assistant Varsity Girls' Basketball Coach and Coach of the girls' softball team.

The ACHS Raiders will open their season Sept. 5, 1975 when they travel to William Campbell. The first home game is scheduled for Sept. 19 when the Raiders will host Staunton River.

The concession stands will be operated again this season by the ACHS Boosters Club.

In other business, "the freedom of information rights," policy, a proposed policy on students' scholastic records required by law, was discussed.

CLINIC SET FOR ATHLETIC PHYSICALS FOR GIRLS AT ACHS

All Appomattox County High School girls who wish to participate in ANY SPORT during the 1975-76 school year must have a physical examination.

The doctors in the community have volunteered their services and a free clinic has been set up for Tuesday, August 26 at 3 p.m. at ACHS. There will be NO MAKE UP CLINIC.

The Physical Forms may be picked up at the high school prior to the day of the clinic as these must be signed by your parents/guardians.

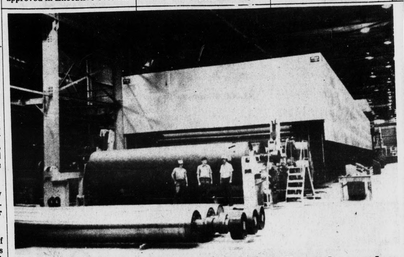
All cheerleaders must have a physical also, so take advantage of this FREE CLINIC.

Lions Club Sets Ladies Night Cook-Out

Ladies Night, Thursday, August 14 is a "must" for every member of the Appomattox Lions Club and every Lioness or guest.

The annual steak cook-out will be held on this night at the Woodmen of the World Building beginning at 6:45 p.m.

Please bring your knife and fork with you, they will not be furnished by the club.



Production Starts At Virginia Fibre Complex

On Monday, August 4, at 1:20 p.m., the first corrugated medium was produced at the Virginia Fibre Plant in Riverville.

A reel of corrugated medium, the paper used as the fluted center of a corrugated shipping container, can be viewed in the foreground above, just behind the three workers.

According to R. C. Jackson, VFC personnel manager, all of the finished medium produced last week was recycled back into wet pulp since adjustments on the machine had not been completed. Jackson added that it was difficult to determine when the plant will begin commercial sale of its product, for minor adjustments on the machine will continue for some time.

Major problems with the seven million dollar, 375-foot paper machine have included a steam turbine failure on July 23, a water pump failure on August 1, and a clogged screening unit.

But after long hours of work, the problems were alleviated and the startup of the paper machine was achieved on Monday, August 4, three days after an August 1 target date.

Once totally operable, the machine will run 24 hours, 7 days a week, with a capability of producing 2,000 feet of corrugated medium a minute.

Skin Cancer Clinic Set For Sunday

The Appomattox County Unit of the American Cancer Society will sponsor a Skin Cancer Detection Clinic on Sunday afternoon, August 17 from 1 to 5 p.m. The clinic will be held in the Health Department at the new Appomattox County Office Building and is FREE to those who wish to come and be checked for skin problems.

Dr. William Philip Gibbs and Dr. Stuart Brust, dermotologists from Lynchburg, will be in charge of the clinic. Local doctors and volunteers will render their service.

See Page Four of this issue of the TIMES-VIRGINIAN for a form that you are to fill in and bring to the clinic with you.

Many skin lesions are not serious and may be treated successfully with excellent results, according to Dr. C. G. O'Brien, President of the Appomattox County Unit, American Cancer Society.

Come by Sunday and be checked - it will satisfy your mind if you have any doubts about skin problems.

Parents Night Set By Athletic Department

The Athletic Department at Appomattox County High School has scheduled Parents Night for 8 p.m. tonight, Thursday, in the gym at ACHS.

Parents of all football players are urged to attend. Cecil B. Tillery, Jr., Principal at ACHS, and Larry Carter, Head Football Coach, will discuss the overall athletic program, stressing football and the insurance program.

The coaching staff will be introduced at this meeting.

The Raiders started their practice Monday of this week with the first game of the season set for Sept. 5 at William Campbell. The first home game will be played Sept. 19 when the Raiders host Staunton River.

New Business To Open Friday

The WHITE AUTO STORE will open in Appomattox on Friday, August 15 in the Triangle Plaza Shopping Center.

The new business will be owned and operated by Mr. and Mrs. Carl Miller and will carry a line of auto accessories, appliances, sporting goods and household items.

Watch for Grand Opening advertising in the next issue of the Times-Virginian.

Tractor Safety Course Planned For Women

Are you going to be expected to do more tractor driving - or have children who will soon be driving - or want to be able to help your husband when the need arises without looking too incompetent?

Well, here is the answer to your problem. The Appomattox County Farm Bureau Women's Committee is sponsoring a Tractor Safety Course for women and girls on Saturday, Sept. 27, at the Appomattox County High School Agriculture Department from 9 a.m. to 3 p.m. Bag lunches should be brought from home with beverages provided by the Farm Bureau Women's Committee.

This course will be taught by Dennis Torrence assisted by some of the FFA Senior Chapter boys. It is designed to teach SAFE operation of tractors and other farm equipment.

An outline of the course follows: Classroom instruction. Demonstrations, Practical driving and operation (strictly

Water Rate Increase Approved By Council

JOHN C. COLE, (far left), chairman of the Appomattox County Board of Supervisors, receives a $13,558.31 check from Chuck Stanley, (second from left) area state forest superintendent, who is presenting the check to the Board on behalf of the Virginia Division of Forestry. Hunter Tolley and O. W. Martin, supervisors representing Clover Hill and Stonewall Districts, respectively, view the presentation.

Supervisors Receive Check From Forestry Division

County with an allocation, and last year the total was $13,154.57. Chuck Stanley, superintendent of area state forests, told the board that the amount presented in future years will "continue close to this year's sum."

In other matters, a request for an additional $20,000 school appropriation for the month of August, made by Lloyd Walton, superintendent of public schools, was approved by the Board. According to Walton, the additional money will pay for four new bus chassis recently purchased from a company in High Point, N.C.

The Board also adopted a state ordinance amending the Driving Under the Influence Ordinance.

Finally, Thomas Terry, Tommy Lawson, and R. B. Carter were appointed to the Bicentennial Commission by the Board. They will replace three members of the Commission who are moving out-of-state.

On Friday, August 8, the Appomattox County Board of Supervisors received a check for $13,558.31 from the Virginia Division of Forestry. This money represents Appomattox's portion of the one-fourth gross proceeds derived from timber cut from the Appomattox-Buckingham State Forest.

Every year the Division of Forestry presents Appomattox

Tennis Tourney Set At FRCC

The August Social Committee of Falling River Country Club will sponsor a tennis tournament. Saturday, August 16 and Sunday, August 17.

All club members interested in participating are asked to sign up at the club pool, at the pro shop, or call Mrs. Sherry Tillery (352-8102) or Mrs. Judy Blanton (352-5260).

There will be men and women singles and mixed doubles, ages 16 and up. An entry fee of $1.00 will be charged. Refreshments will be served and prizes will be awarded. Starting times: Saturday, August 16 - 9 a.m. Sunday, August 17 - 1:30 p.m.

Jaycees Plan Ninth Annual Radio Day

On Sunday, August 17, the Appomattox County Jaycees will hold their Ninth Annual Jaycee Radio Day on WFLO Radio in Farmville. The Jaycees will begin selling advertisements to area businesses July 21,1975 and will continue the ad sales through August 6. If for any reason you are not contacted by a Jaycee and would like to participate, please contact Addison Elder at Evans Barber Shop.

Inflation? No way!! The prices of these ads are the same as they were in 1967. Additionally, the program has changed very little. The Jaycees like to think that the businessmen are getting a better deal each year and they probably are.

So when that Jaycee comes by soliciting ads tell him you will participate. Help the Jaycees to help Appomattox. Our future is here.

At the July 14 meeting of the Appomattox Town Council the intent to adopt certain changes in Section 16-30 - Payment of Water Connection Charges and Section 16-43 - Rates to be Charged for Town Water Within and Without Corporate Limits, to be effective October 1, 1975 was published.

Meeting in regular session on Monday night, council approved the increase in water rates and water connections as previously published.

Councilman Ronald Spiggle stated that council, prior to adopting the intent and prior to the vote on Monday night, had discussed at length the number of people on fixed income living within the Town of Appomattox (at least 10%) who possibly use less than 1,000 gallons of water during a month but council felt that this was the best route to take in making the rate increase. The end result is that everyone will pay a minimum of $2.75 per month for 2,500 gallons of water and an additional 65c per thousand for all over the minimum. Rates to apply to individual units using water out of town will be $5.00 per month for 2,500 gallons and an additional 75c per thousand for all over the minimum.

All charges for water taps or connections shall be payable in advance at the time of making application at the rates listed below. Connection fee for residential (0)75 inch meter) and mobile homes in town will be $200.00 and will be $400.00 out of the town corporate limits. Charges for water taps connections for apartments, duplexes, mobile home parks, shopping centers and other like installations in which more than one customer is served through one meter will be $200.00 in town for the first unit and for each additional unit the cost will be $100.00 per unit; for out of town taps or connections the cost will be $400.00 for the first unit plus $100.00 for each additional unit. The rates for individual business, industrial and public buildings for taps or connections will be $300.00 in town and will be $600.00 for out of town.

Costs as listed are in addition to actual cost of materials and labor for making the connections.

Addison Elder and Danny Simpson, representing the Appomattox County Jaycees, appeared before council to ask approval for the use of the Appomattox Town Ball Park August 23 and 24 for the Diamond World Championship Rodeo event that they will be sponsoring.

The request was approved by council with the agreement that within two weeks following the rodeo (weather permitting) the ball park be seeded, fertilized

New R. E. Lee Academy Nears Completion

Construction on the building that will be the new Robert E. Lee Academy is nearing completion and will be ready for school opening September 2, 1975.

Robert E. Lee Academy, beginning its tenth year of operation, is located on Highway 727, one and one-half miles South of Appomattox.

Registration is now open for Kindergarten through Grade 7 for the coming year.

Along with other activities, the Academy has chapel services each week held by pastors and laymen in the county.

Anyone interested in registration or the operation of the Academy, without any obligation, may contact Mrs. Jesse Osborne, 352-8758 or Mrs. Annie Jones, 352-8857.
